PROSPECTUS CUM APPLICATION FORM

INTRODUCTION

The Government of Telangana has high vision of inclusive development of all communities, empowerment and integration of all marginalised sections of the state. As part of Minorities development, the Government of Telangana has sanctioned a total of 204 Minorities Residential Schools in 33 districts of Telangana state and they have been upgraded to Junior Colleges where more than 1 lakh minority students get quality education every year. This is a landmark initiative in the Indian history which has created an opportunity to minorities and a stepping stone to educate economically backward Minorities children.

TMREIS has an excellent track record of establishing 204 Minority Residential Schools in a span of 2 Years' time in 33 districts of Telangana.

These schools are meant for children of poor families who have a meagre income and economically deprived communities. The objective of having a fully residential school is to focus on the child's overall development. These schools are home away from home where traditional values and complete family atmosphere is maintained by trained and caring professionals.

VISION

The Society aims to provide high quality & modern education at free of cost to the children of most economically backward minority communities of the state of Telangana, to enable them to avail professional educational courses and employment in the government and public and private sectors but also to have access to the best opportunities in education on par with other communities.

MISSION

- Our **mission** is to empower students of varied communities with knowledge, skills and values to meet revolutionary global challenges, to be confident, risk takers and global citizens to make independent decisions.
- To **focus** on holistic development of students and instil values like discipline, creativity, integrity and excellence to create thoughtful and engaged individuals.

- To **develop** and nurture the potential of our students and help them excel by providing opportunities beyond academics such as in sports, community service, art, science, robotics and skills labs
- To **build** infrastructure that facilitates physical, environmental, cultural evolution of students

The sports classes at TMREIS inculcates the best sporting instincts in students and getting children involved socially as well as in physical activities. Team spirit and sportsmanship skills are given utmost importance. The learning environment is conducive integrated with moral and spiritual values leading to a holistic development of each child. All these facilities come in a complete package which is FREE with the cost taken care by Govt. of Telangana.

Initially, the schools were catering to 5th, 6th, & 7th class students but in a process of up gradation of one class every year, now all the schools have been upgraded to Junior colleges. The Government of Telangana is providing free Boarding, Lodging with all the necessities at FREE of cost like Text books, Note books, uniforms, shoes, sports dress, Cosmetic kits, Health care etc.
